

**BRAZOS COUNTY  
ROAD AND BRIDGE DEPARTMENT**

## Memorandum

August 9, 2022

**Subject: Brazos County Floodplain Permitting**

To Whom It May Concern:

Brazos County recently **amended** the Brazos County Flood Damage Prevention Ordinance: <https://tx-brazoscounty.civicplus.com/DocumentCenter/View/46/Brazos-County-Flood-Damage-Prevention-Ordinance-08092022>

The following updates will be effective on August 9, 2022:

- *An application for a Brazos County Floodplain Development Permit shall be presented to the Brazos County Floodplain Administrator from the property owner or their legal representative.*
- *Legal Representative is defined as follows:*

*One who represents or stands in the place of another under authority recognized by law, especially with respect to the others property or interest pursuant to a written Power of Attorney.*

On or after August 9, 2022, only the property owner or their legal representative as defined above will be allowed to complete and submit a Brazos County Floodplain Development Application for review.

Please contact our office if you have questions (979-822-2127).
