Investment Strategy

The Brazos County Investment Strategy will remain unchanged, keeping investments very short-termed & liquid. With the safety of principal as the foremost objective of the County's investment policy followed by liquidity and yield - it seems prudent to continue keeping the majority of available funds in the County's depository where all funds are 110% collateralized.

For diversification the County has an investment account with TexPool that provides the safety of an overnight market.

Brazos County's depository contract earns .35% above the 90 day T-Bill.

Summary of Portfolio Changes

The deposit of interest is the only portfolio change to balances at this time and the Weighted Average Maturity of investments remains at 1 day due to the liquidity of funds invested with TexPool and on deposit at CitiBank of Texas
