

DEERS/ID Card Locations

When you apply for a military ID at a DEERS (Defense Enrollment Eligibility Reporting System) location, you'll need to bring several important documents. Here's a list of what you typically need:

1. **Two forms of identification:** One must be a valid photo ID, such as a driver's license or passport.
2. **Social Security card:** This is often required for verification purposes.
3. **Birth certificate:** Necessary for dependents or new enrollments.
4. **Marriage certificate:** If you're enrolling a spouse.
5. **DD Form 1172-2:** [This form needs to be completed with your military sponsor](#)

It's always a good idea to check with the specific DEERS location you're visiting, as requirements can vary slightly. [You can use the RAPIDS Site Locator to find a nearby DEERS office and make an appointment](#)
