- (a). A defendant is considered indigent if:
  - (1) the defendant’s net household income does not exceed 125% of the Poverty Guidelines as established and revised annually by the United States Department of Health and Human Services and published in the Federal Register; and
  - (2) the value of the non-exempt assets and property owned by the defendant:
    - a. does not exceed \$1,500;

- (b). A defendant who does not meet any of the financial standards above shall nevertheless be determined to qualify for court appointed counsel if the defendant is otherwise unable to retain private counsel without substantial hardship to the defendant or the defendant's dependents, taking into account the nature of the criminal charge(s), the anticipated complexity of the defense, the estimated cost of obtaining competent private legal representation for the matter charged, and the amount needed for the support of the defendant and the defendant's dependents.

If convicted, the court may require a defendant who is unable to pay a fine or costs of court to discharge all or part of the fine or costs by performing community service with a governmental entity or nonprofit organization that provides services to the general public that enhance social welfare and the general well-being of the community. organization that accepts a defendant must agree to supervise the defendant in the performance of the defendant's work and report on the defendant's work to the court-related services office.

2.07 **Review of Indigency.** The defendant is presumed to remain indigent for the remainder of the case unless a material change in the defendant's circumstances occurs.

- (a) The defendant's status as indigent or not indigent may be reviewed in a formal hearing at any stage of court proceedings, on a motion for reconsideration by the defendant, the defendant's attorney, or the attorney representing the state. The defendant's indigent status will be presumed not to have changed. The presumption can be rebutted in the review proceedings based on the following:
  - (1) Evidence of a material change in the defendant's financial circumstances as a result of which the defendant does not meet any of the standards for indigence contained in these rules; or
  - (2) Additional information regarding the defendant's financial circumstances that shows that the defendant does not meet any of the standards for indigence contained in these rules.
- (b) If a defendant previously determined to be indigent is subsequently determined not to be indigent, the attorney shall be compensated by the county according to the fee schedule for hours reasonably expended on the case. The magistrate (Justice of the Peace) before whom the defendant was brought shall administer the required magistrate's warnings, set bail, if appropriate, and provide the defendant with an application for court appointed attorney and assistance in completing the application, if appointment of counsel is requested by the individual arrested.
- (b) *Out of County.* If the defendant is taken before a magistrate of a county other than the county that issued the warrant, the magistrate (Justice of the Peace) shall inform the defendant of the procedures for requesting appointment of counsel and ensure that reasonable assistance in completing the necessary forms for requesting appointment of counsel is provided to the defendant at the same time. If the defendant requests the appointment of counsel, the magistrate (Justice of the Peace) shall, without unnecessary delay, but not later than 24 hours after the defendant requested the appointment of counsel, transmit, or cause to be transmitted, the necessary request forms pursuant to Section 3.06(c) for forwarding to the county issuing the warrant.

- (d) *Brazos County Indigent Defense Office to Determine Indigency and Appoint Counsel for Incarcerated Individuals.* If the defendant requesting appointment of counsel remains incarcerated on the charges, the Brazos County Indigent Defense Office, shall, within three (3) working days after the request for appointment of counsel is received by the Associate, determine whether or not the requesting defendant is indigent and, if found to be indigent or otherwise qualifies pursuant to Section 2.03(a) or (b) above, shall appoint an attorney from the appropriate list. In determining which attorney to appoint, the Brazos County Indigent Defense Office shall appoint the attorney whose name next appears in order on the public appointment list that corresponds to the most serious offense as currently charged, unless any of the following circumstances exist, which override the sequential appointment preference:
  - (1) if the defendant requesting appointed counsel does not understand English, an attorney who can communicate with the defendant in the defendant's language is preferable to one who cannot;

- (2) if the defendant requesting appointed counsel has pending charges in which he has previously been appointed counsel, the attorney who was previously appointed should be appointed;
  - (3) if the defendant requesting appointed counsel has been arrested on both felony and misdemeanor charges, or has pending felony charges at the time of a misdemeanor arrest, an attorney from the appropriate Felony List should be appointed; or
  - (4) if the defendant requesting appointed counsel has been arrested on any motion to proceed with adjudication or motion to revoke community supervision, and the attorney who represented the defendant at the time the defendant was placed on supervision continues to be on the appropriate public appointment list, the attorney who represented the defendant previously should be appointed.
- (e) *Out of County Appointments.* If the defendant is arrested under a warrant issued in a county other than the county in which the arrest was made and the defendant is entitled to and requests appointed counsel, Brazos County Indigent Defense Office shall appoint counsel within the periods prescribed by section 3.06(d) above, regardless of whether the defendant is present within the county issuing the warrant and even if adversarial judicial proceedings have not yet been initiated against the defendant in the county issuing the warrant. However, if the defendant has not been transferred or released into the custody of the county issuing the warrant before the 11 day after the date of the arrest and if counsel has not otherwise been appointed for the defendant in the arresting county, the Brazos County Indigent Defense Office shall immediately appoint counsel to represent the accused in any matter under Chapter 11 or 17, regardless of whether adversarial judicial proceedings have been initiated against the accused in the arresting county. If counsel is appointed for the defendant in the arresting county as required by the subsection, the arresting county may seek from the county that issued the warrant reimbursement for the actual costs paid by the arresting county for appointed counsel.
- (f) *Limitation on Appointment after Overriding Circumstance.* When any attorney is appointed out of order due to an overriding circumstance, that attorney shall not receive another sequential appointment until every other attorney on that list has received an appointment in that rotation (but may receive additional overriding circumstance appointments).
- (g) *Ad Hoc Distribution of Appointments in the Trial Court.* The Court may deviate from the rotation system and appoint an attorney in that court who is specifically qualified under the Plan on an ad hoc basis to represent indigent defendants upon a finding of good cause to deviate from the rotation system.
- (h) *Determination of Indigency and Appointment Counsel for Individuals Not Incarcerated.* If a defendant wishes to request counsel prior to the initial appearance, the forms required to request counsel may be obtained at the Brazos County Website at <https://brazoscountytexas.gov/DocumentCenter/View/4748/APPLICATION-FOR-CAAT-2023-Fillable?bidId=> or at the Texas Indigent Defense Commissions' website at <http://tidc.tamu.edu/public.net/>. #### **Rule 4. Attorney Fee Schedule and Compensation of Appointed Attorneys**

4.01 ***Trial Fee Schedule.*** Brazos County will pay appointed counsel for all trial time reasonably necessary for adequate representation of the defendant, as approved by a judge, according to the fee schedule shown below and adopted as provided under Article 26.05(b) of the Texas Code of Criminal Procedure. For purposes of this Indigent Defense Plan, there is a presumption of a Fixed Fee. Please see Presumptive Fee Chart attached as Exhibit \_\_\_\_\_.

#### **4.02 *Compensation for Services Not Provided by Schedule.***

- (a) *Multiple Cases for Single Defendant.* In addition to the fixed fee, an additional \$75 shall be paid for each additional felony and/or misdemeanor case, up to a maximum of an additional \$600.00. Please see revisions to §4.07 below.
- (b) *Other Services.* Services not specifically described above (e.g., bond reductions, pre-filing dismissals, defense of motions to deny bail or revoke bond, dismissals, habeas corpus, etc.) will be paid at an hourly rate of \$150. *Any request for compensation on a rate basis must be accompanied by an itemized statement showing the amount of time actually expended by the attorney on the case.*

4.03 ***Appellate Fee Schedule.*** Brazos County will pay appointed counsel for appellate services only on a fixed fee basis, unless otherwise approved by a judge for good cause, according to the following fee schedule adopted as provided under Article 26.05(b) of the Texas Code of Criminal Procedure:

4.04 ***Removal for failing to follow Brazos County Indigent Defense Plan.*** If an attorney is removed from a case for failure to follow all requirements of the Brazos County Indigent Defense Plan, the attorney will not qualify for court appointed attorney's fees for that case and SHALL NOT submit a fee voucher for payment.

- 4.05 ***Incidental Expenses.*** Appointed counsel, both trial and appellate, shall be reimbursed for reasonable and necessary incidental expenses such as copying, telephone, mileage, etc., incurred without prior approval of the Court.
- 4.06 ***Investigations, Expert Testimony, and Interpreters.*** Counsel appointed in a non-capital case shall be reimbursed for reasonable and necessary expenses, including expenses for investigation and for mental health and other experts. Expenses incurred with and without prior court approval shall be reimbursed, according to the procedures set forth below. When possible, prior court approval should be obtained before incurring expenses for investigation and for mental health and other experts.
- (a) ***Procedure with Prior Court Approval.*** Appointed counsel may file with the trial court a Motion for Court Appointed Attorneys Fee/Approval (Appendix E) together with a pretrial ex parte confidential request for advance payment of investigative and expert expenses. The request for advance payment of expenses must state, as applicable:
- (1) the type of investigation to be conducted or the type of expert to be retained;
  - (2) specific facts that suggest the investigation will result in admissible evidence or that the services of an expert are reasonably necessary to assist in the preparation of a potential defense; and
  - (3) an itemized list of anticipated expenses for each investigation or each expert.
- (b) ***Procedure Without Prior Court Approval.*** Appointed counsel may incur investigative or expert expenses without prior approval of the court. Appointed counsel may file with the trial court a Motion for Court Appointed Attorneys Fee/Approval (Appendix E). The motion must have an itemized statement attached which states, as applicable:
- (1) the type of investigation that was conducted or the type of expert that was retained;
  - (2) specific facts that show the investigation was necessary to assist in preparation of the defense; and
  - (3) an itemized list of actual expenses incurred for each investigation or each expert.
- (c) ***Approval of Requests.*** On presentation of a Motion for Court Appointed Attorneys Fees/Approval (Appendix E) and the request for advance payment or itemized statement required, the court shall approve the payment of the requested amount if the expenses are reasonably necessary and reasonably incurred. Upon approval by the Court, the completed Motion for Court-Appointed Attorneys Fees/Approval shall remain a public record and be transmitted to the County Auditor for payment. If the request for advance payment or claim for reimbursement is made prior to the conclusion of the trial of the case, the request for claim, together with any supporting documentation, that was attached to the motion may be ordered sealed until the trial of the case is concluded. All payments shall be made directly to the requesting counsel. No payments will be made directly to the investigator or expert.
- (d) ***Denial of Requests.*** If the court denies in whole or in part a request for advance payment or a claim for reimbursement of expenses incurred for investigation or expert testimony, the court shall:
- (1) state the reasons for the denial in writing;

- (2) attach the denial to the request or claim;
- (3) submit the request or claim and denial as an exhibit to the record; and
- (4) if the request or claim has been made ex parte prior to trial, may order the request or claim and denial sealed until the trial of the case is concluded.

4.07 *Procedure for Compensation.* For district and county courts at law, not later than **thirty (30) days** after the case is disposed by the trial court, the appointed attorney shall prepare and submit, via e-file, to the trial court last having jurisdiction of the most serious offense case, a Motion for Court Appointed Attorney Fees on a form approved by the judges. (See Appendix for approved forms). If a case is refused, prior to being assigned a cause number, the request for payment shall be forwarded to the Administrative Judge for approval. For fees exceeding the fixed fee, a record should be made of the amount of attorney's fees to be requested by counsel, at the time of sentencing. The motion shall include all services provided a single defendant, regardless of the number of cases disposed. The judge shall determine the reasonableness of the amount requested based upon the time and labor required, the complexity of the case, and the experience and ability of the appointed counsel using the above fee schedules. If the judge disapproves the requested amount, the judge shall make written findings stating the amount of payment that the judge approves and each reason for approving an amount different from the requested amount. The attorney may file written objections to the court's action and request an oral hearing to show the court reasons that justify the amount requested. If a request for payment of court appointed attorney's fee is not submitted within 30 days, the attorney will automatically be paid on a fixed fee basis.

4.08 *Appeals from any Disapproval of Requested Amount.* The attorney may appeal any determination disapproving the requested amount to the Presiding Judge of the Second Administrative Judicial Region in accordance with the rules promulgated by the Second Administrative Judicial Region. The amount determined by the Presiding Judge of the Second Administrative Judicial Region shall be paid by Brazos County to the attorney appointed within forty-five (45) days after the appeal is determined.

## **Rule 5. Selection and Appointment of Counsel in Juvenile Cases**

5.01 ***Method of Appointment.*** Attorneys shall be appointed to represent indigent juvenile offenders using an "alternative program" as described in Article 26.04(g) of the Texas Code of Criminal Procedure, by use of an Ad Hoc Distribution as described in §3.06(g) or as further specified in this rule.

5.02 ***Contract Attorneys.*** Upon approval by the Judges of the District Courts and County Courts at Law in Brazos County of the individual or firm selected to provide indigent juvenile representation, the Commissioners Court of Brazos County may enter into a contract with the selected individual or law firm to provide the majority of all legal representation to indigent juvenile offenders entitled to representation under the Texas Juvenile Justice Code. During the term of such contract, the contract attorney(s) shall be appointed to represent any juvenile offenders determined to be indigent according to these rules, except:

- (a) contract attorneys shall not be appointed or obligated under the contract to provide representation to juveniles charged with delinquent conduct arising from the criminal offense of Capital Murder;

- (b) contract attorneys shall not be appointed or obligated under the contract to provide representation to juveniles when the contract attorney or contract firm is disqualified from such representation or has a conflict of interest under the Texas Disciplinary Rules of Conduct.

5.03 **Terms of Contract.** Any contract executed by the Commissioners Court of Brazos County and an attorney or law firm under these rules shall provide:

- (a) The contract shall provide a set term of one year, renewable upon the consent of (1) the District Judges and County Court at Law Judges, (2) the Commissioners Court, and (3) the attorney or law firm selected.
- (b) The attorney or law firm selected shall agree to make the representation of indigent juveniles the priority of their practice and file few, if any, motions for continuance in juvenile cases to which they have been appointed on the grounds of a conflicting setting in another court.
- (c) The attorney or law firm selected shall agree to meet or exceed the IJA-ABA Standards for Juvenile Justice relating to the quality of service provided by court-appointed attorneys to indigent juveniles. (A copy of these standards is attached as Appendix I). The contract shall state a policy to assure that the attorney or firm selected shall not provide representation to indigent juveniles when doing so would involve a conflict of interest.
- (d) The attorney or firm selected will be solely responsible for all routine expenses associated with the representation of indigent juveniles to which they are appointed under the contract. Routine expenses include paralegal and secretarial services, library expenses, office supply and equipment expenses, telephone services, facsimile transmission services, copying expenses, postage and parcel delivery expenses, transportation expenses incurred within Brazos County and the counties contiguous to Brazos County, and expenses associated with serving subpoenas on and contacting witnesses. Prior written approval by the juvenile court or referee is required for reimbursement of other expenses including investigation and expert witness services. Requests for approval of investigative expenses and expenses for expert testimony shall be filed in the appropriate court setting forth good cause for such investigation and a justification of the cost. There shall be no additional compensation or reimbursement due on any case without the express, written approval of the Juvenile Court having jurisdiction over the case.
- (e) The amount of compensation under the terms of the contract shall be stated in the contract and payable at such frequency as determined by the contract, with no provision for advances. The contract shall require the contract attorney or firm to submit an itemized fee voucher to be approved by the juvenile judge prior to being forwarded to the County Judge for approval and payment.
- (f) The contract shall identify the attorneys who will perform legal representation and prohibit the substitution of other attorneys without prior approval by the juvenile court and the Commissioners Court of Brazos County. Nothing in the contract shall prohibit the contract attorney or firm from being relieved or replaced in accordance with the Texas Family Code or the Texas Code of Criminal Procedure.
- (g) The contract shall set the maximum number of cases or workload each attorney may be required to handle pursuant to the contract.

5.04 **Qualifications.** Each attorney appointed to represent an indigent juvenile under the contract shall meet and maintain throughout such representation each of the following minimum qualifications.

- (a) Be an attorney licensed to practice law in the State of Texas and maintain that license in good standing throughout the term of the contract.
- (b) If only one attorney is contracted, that contract attorney must be a resident of Brazos County, Texas; if a law firm is contracted, the contract firm must maintain its principal office located in Brazos County, Texas.
- (c) The contract attorney or any member of a contract law firm may not be or have been the recipient of any disciplinary action by the State Bar of Texas or any other attorney licensing authority of any state or the United States.
- (d) The contract attorney or any member of a contract law firm may not have ever been convicted of any felony or misdemeanor involving moral turpitude. For the purposes of this requirement, "convicted" includes, but is not limited to, serving any period of probation, community supervision, or deferred adjudication supervision under any order of a court of record, regardless of whether the charges were ultimately dismissed or not.
- (e) The contract attorney or any member of a contract firm may not be currently or at any time during the term of the contract delinquent in the payments of obligations to the State Bar of Texas or to any taxing authority, including Brazos County, the State of Texas and the United States of America.
- (f) The contract attorney or any member of a contract firm may not be currently or at any time during the term of the contract delinquent in the payment of any child support obligation.
- (g) The contract attorney or contract firm must maintain a policy of malpractice insurance in a coverage amount for each claim of at least \$500,000. This policy of insurance must survive the termination of the attorney's or firm's contract for any claim arising from actions occurring during the term of the contract.
- (h) The contract attorney or any member of the contract firm must comply with the minimum continuing legal education requirements of these rules.
- (i) The contract attorney or any member of the contract firm must meet the following minimum experience requirements to represent juveniles with charges of children in need of supervision (CINS) and delinquent conduct, including those in which commitment to the Texas Juvenile Justice Department (TJJD) is and is not authorized disposition, determinate sentence is an authorized disposition, and proceedings seeking discretionary transfer to a criminal court:
  - (1) Must have a minimum of 3 years work experience in juvenile law;
  - (2) Must have participated in at least 10 criminal juvenile cases, of which at least 3 were tried to a jury verdict;
  - (3) Must have tried at least 3 criminal or juvenile cases as lead counsel.

5.05 ***Procedure for Award of Contract.*** Unless a contract is a renewal of an existing contract under these rules, the following procedures shall be used in awarding contracts to an attorney or law firm:

- (a) Not later than July 1<sup>st</sup>, the County Purchasing Office will prepare and submit to the Commissioners Court a formal request for Proposals. Once approved by the Commissioners Court, the Request for Proposals will be mailed to every licensed attorney residing in Brazos County and to the Brazos County Bar Association.

- (b) Upon passing of the deadline for submission, the proposals will be reviewed by the Commissioners Court and the Judges of the District Courts and County Courts at Law.
- (c) Once the Commissioners Court and the Judges of the District Courts and County Courts at Law have had a reasonable opportunity to review the proposals, the Commissioners Court shall select an individual or firm and submit the selected proposal to the District and County Court at Law Judges for approval. If approved by the District Court and County Court at Law Judges, the Commissioners Court may accept the proposal of the selected individual or firm and enter into a contract for services in accordance with the requirements of these rules.
- (d) The criteria for selection and approval of the individual or firm shall not be based solely upon the low bid. Consideration of the selection must be based upon at least the following factors:
  - (1) experience and qualifications of the individual or firm submitting the proposal;
  - (2) past performance of the individual or firm submitting the proposal in representing juveniles;
  - (3) disciplinary history of the individual or firm submitting the proposal with the state bar;
  - (4) ability of the individual or firm submitting the proposal to comply with the terms of the contract; and
  - (5) the cost for the services.
- (e) Upon execution of the contract by the individual or firm selected and the Commissioners Court, the Juvenile Courts will exclusively appoint the contract attorney or law firm, subject to the limitations described in these rules.
- (f) It is the intent of these rules that the contract be executed prior to the final adoption by the Commissioners Court of the county's annual budget and that the term of the contract be concurrent with the county's fiscal year.

5.06 ***Procedure for Renewal of Contract***

- (a) Not later than June 1<sup>st</sup> prior to the expiration of the contract, the contract attorney or firm will prepare and submit to the County Purchasing Office a letter of intent to renew the contract, specifying any proposed changes to the terms of the contract.
- (b) The County Purchasing Office shall immediately forward to the Commissioners Court and the Judges of the District Courts and County Courts at Law a copy of the contract attorney's or firm's letter of intent to renew the contract and any proposed changes to the terms of the contract.
- (c) The Judges of the District Courts and County Courts at Law shall review the contract attorney's letter of intent to renew the contract. If a majority of the Judges of the District Courts and County Courts at Law object to renewal of the contract, the Local Administrative District Judge shall prepare and deliver a letter of objection to renewal of the contract to the County Judge no later than July 1<sup>st</sup> prior to the expiration of the current contract.
- (d) If no letter of objection by the Judges of the District Courts and County Courts at Law to renewal of the contract is received by the County Judge by July 1<sup>st</sup> prior to expiration of the

current contract, the Commissioners Court may renew the contract on such terms that do not conflict with these rules.

- (e) If a letter of objection by the Judges of the District Courts and County Courts at Law to renewal of the contract is received by the County Judge on or before July 1<sup>st</sup> prior to expiration of the contract, the process for award of a new contract specified in Rule 4.05 above shall immediately begin.
- (f) It is the intent of these rules that any renewal contract be executed prior to the final adoption by the Commissioners Court of the county's annual budget and that the term of the contract be concurrent with the county's fiscal year.
- (g) Notwithstanding anything to the contrary in these rules, no contract may be renewed more than four (4) times without rebidding the contract under Rule 5.05 above.

**5.07     *Reporting Compliance with Minimum continuing Legal Education Requirements.***

- (a) *Reporting Period.* In determining compliance with the minimum continuing legal education requirements of these rules, the period used shall be the same as the MCLE compliance year used by the State Bar of Texas [See State Bar Rules, Art. XII, Sec. 2(L)].
- (b) *Reporting Requirement.* Not later than the last day of an attorney's birth month each year, any attorney providing service to indigent juveniles under the contract must submit to the Local Administrative Judge:
  - (1) An affidavit signed by the attorney detailing the juvenile continuing legal education activities completed in the prior year, with a copy of the State Bar of Texas Minimum Continuing Legal Education Annual Verification Report covering the reporting period (see Appendix for form); or
  - (2) An affidavit signed by the attorney, that the attorney is currently certified in juvenile law by the Texas Board of Legal Specialization (See Appendix for form).
- (c) *Carryover Limited to One Year.* Continuing Legal Education activity completed during any reporting period in excess of the minimum six-hour requirement for such period may be applied to the following period's requirement. The carryover provision applies to one (1) year only.
- (d) *Initial Reporting Period.* Continuing legal education activity completed within a two-year period immediately preceding an attorney's initial reporting period may be used to meet the educational requirements for the initial year.

**5.08     *Appointment of Non-Contract Attorneys. In those circumstances where:***

- (a) the juvenile is charged with delinquent conduct arising from the criminal offense of Capital Murder;
- (b) the contract attorney or law firm is disqualified from representation of juvenile;
- (c) the contract attorney or law firm has a conflict of interest under the Texas Disciplinary Rules of Conduct; or
- (d) the contract has been terminated or expired without renewal.

An attorney shall be appointed from the public appointment list established in Section 3 above appropriate to the criminal offense forming the basis of the alleged delinquent conduct. The juvenile judge or referee making such appointment shall utilize the "alternative program" or Ad Hoc program as set forth in Section 3.

No later than October 15, each attorney must submit a statement that describes the percentage of the attorney's practice time that was dedicated to work based on appointments accepted in this county for adult criminal cases and juvenile cases for the prior 12 months that begins on October 1 and ends on September 30. The report must be submitted through the online form to the Texas Indigent Defense Commission.

5.09 **Determination of Indigency.** The juvenile referee or (juvenile judge in the referee's absence) shall determine a juvenile's indigency in accordance with the Texas Juvenile Justice Code and the standards established by Section 2 above. The income and assets of the juvenile's parent or other person responsible for the juvenile's support must be used in determining whether the child is indigent.

5.10 **Appointment of Counsel.** Unless the court finds that the appointment of counsel is not feasible due to exigent circumstances, the court shall appoint counsel within a reasonable time before the first detention hearing is held to represent the child.

If the juvenile is released from detention and if a petition to adjudicate or a motion to modify is filed, the juvenile court will use the financial forms gathered at intake to make a determination of indigence. If no financial information is available, the juvenile court shall promptly summon the child's parent/guardian/custodian to the court so that the financial information may be gathered for a determination of indigence.

If the court makes a finding of indigence, the court shall appoint an attorney on or before the fifth working day after:

- (a) The date a petition for adjudication or discretionary transfer hearing has been served on the child; or
- (b) A motion to modify disposition seeking commitment to TJJD or placing in a secure correctional facility has been filed.

If the family does not qualify for appointed counsel or if the parent or guardian is not available, and the family fails to provide an attorney, the juvenile court may appoint an attorney in any case in which it deems representation necessary to protect the interests of the child.

The prosecuting attorney/court clerk shall notify the juvenile court upon the filing of and return of service of a motion to modify or the return of service of a petition for adjudication or discretionary transfer.

An attorney appointed for a detention hearing shall continue to represent the child until the case is terminated, the family retains an attorney, or a new attorney is appointed by the juvenile court. Release of the child from detention does not terminate the attorney's representation.

Court appointed attorneys shall make every effort to comply with the Texas State Bar code of Ethics for communication with a client.

COUNTY COURT AT LAW NO. 1/2

BRAZOS COUNTY, TEXAS

**INDIGENT DEFENSE REPORT**

On this date, a request for court appointed counsel was received by the Brazos County Indigent Defense Office from the above-listed defendant. After reviewing the information provided in the Defendant's Affidavit in Support of Appointing Attorney, counsel was not appointed one of the reasons listed below. If an application is denied, the defendant may reapply by contacting the Brazos County Indigent Defense Office in person at 300 East 26<sup>th</sup> Street, Suite 2106 Bryan, Texas or telephone (979) 361-4540 during the hours of 8:00 a.m.-11:30 a.m. and 2:00 p.m.-5 p.m., Monday through Friday, to submit an application. An application may also be emailed to [AC1@brazoscountytexas.gov](mailto:AC1@brazoscountytexas.gov). All applications will be reviewed and ruled upon within 72 hours of receipt.

\_\_\_\_\_ a finding was made that the defendant is not indigent.

\_\_\_\_\_ Defendant indicated a desire to request a court appointed attorney on the Warning by Magistrate but failed to complete an application for review. Because proper documentation was not forwarded to the Brazos County Indigent Defense Office for review, defendant's request is denied at this time. Defendant, if incarcerated, may submit an application through the Brazos County Sheriff's Department. If not incarcerated, the defendant may contact the Brazos County Indigent Defense Office as per instructions above.

\_\_\_\_\_ Due to a material change in circumstances, the request is denied at this time. However, the defendant may contact the Brazos County Indigent Defense office as per instructions above.

\_\_\_\_\_ Defendant no longer desires court appointed counsel because Defendant retained counsel.

\_\_\_\_\_ Defendant was appointed \_\_\_\_\_ on \_\_\_\_\_ Attorney Telephone: \_\_\_\_\_

\_\_\_\_\_ A determination as to indigency could not be made because Defendant did not answer each question completely. Specifically, defendant did not explain how basic necessities are provided and/or did not provide all means of income. Please note: any defendant relying on another person for support, must provide that person's financial information.

\_\_\_\_\_ Defendant is not entitled to court appointed attorney for one or more of the following matters: (1) parole violation, (2) municipal or justice of the peace offense(s), (3) immigration matters, (4) civil/child support matters and/or (5) failure to serve jail time or capias pro fines.

**CASE MANAGEMENT FORM**

**(CHOOSE YOUR OPTION BY PLACING A CHECK MARK INDICATING HOW YOU WISH TO PROCEED AND RETURN TO COURT STAFF)**

I have listened to the Court's admonishments (warnings) concerning the range of punishment that applies to my case, my right to a jury/bench trial, and immigration consequences if I enter a plea or am found guilty. I understand that to resolve my case, I must either hire an attorney, request court appointed counsel, or waive my right to an attorney and represent myself (pro se). It is my decision to take care of my case in the following manner **(CLEARLY MARK YOUR OPTION)**:

**Option 1:** ☐ **INTENT TO RETAIN COUNSEL.** I plan to hire an attorney and can do so within \_\_\_\_ days. I understand that if I do not retain counsel within the time indicated that I will not receive additional time to do so.

**Option 2:** ☐ **REQUEST FOR COURT APPOINTED COUNSEL.** I am unable to hire an attorney and would like to apply for court appointed counsel. I understand that I am required to complete an application and disclose information about my financial resources and/or household financial resources. The Application is a sworn document and I could be prosecuted for providing false information. The punishment for providing false information is imprisonment in the Institutional Division of the Department of Criminal Justice for 2 to 10 years, up to a \$10,000.00 fine or both. The court will determine if I qualify for a court appointed attorney following the guidelines of the Brazos County Indigent Defense Plan and proper supporting documentation. I understand that indigency can only be determined if proper documentation is provided to the court. More importantly, I understand that I may be required to repay, in whole or in part, court appointed attorney's fees if the court finds I have the ability to do so. In the event I dismiss my court appointed attorney, I may not be reconsidered for a new court appointed attorney. All complaints regarding a court appointed attorney should be submitted in writing to the presiding court for review and the court may determine if new counsel should be appointed. I understand that it is my responsibility to maintain contact with my attorney and that I can only expect a return phone call when I leave a message and I am able to receive messages as well. Finally, I understand that if I retain counsel, I may be required to reimburse my court appointed attorney fees.

**Option 3:** ☐ **WAIVER OF ATTORNEY AND REQUEST TO SPEAK TO STATE.** *(You may not speak with a prosecutor about your case unless you sign this written waiver of your right to be represented by an attorney. If you choose this option, please initial each paragraph below).*

\_\_\_\_ I am waiving my right to counsel and request to represent myself in all proceedings related to this case, unless notified in writing otherwise. (Initial each admonishment)

\_\_\_\_ I understand that the Attorney for the State (Prosecutor) is a government attorney who represents the State's case against me in this criminal prosecution and that the prosecutor does not represent me and cannot give me legal advice. The State's attorney does not have to give me a plea offer in this case. If I choose to accept a plea offer, the court will not modify the terms of the plea agreement without giving me an opportunity to withdraw my plea.

\_\_\_\_ I am waiving my right to have an attorney represent me at this time. I understand that I will be held to the same standards and expectations as a licensed attorney in the courtroom when representing myself. I understand that the rules of evidence, procedure and conduct as applied to attorneys also apply to me. I understand that I likely lack the legal knowledge to evaluate the state's case against me and may be unaware of legal defenses applicable to my case.

**Option 3 Continued for WAIVER OF ATTORNEY AND REQUEST TO SPEAK TO STATE.**

\_\_\_\_ I understand that there are dangers to self-representation. Waiving my right to an attorney and representing myself may result in a worse outcome for me and my case, including but not limited to, future criminal punishment enhancements, as well as, the loss of significant legal rights and opportunities relating to military service, possession of a firearm, housing and public benefits, employment, child custody, voting, license suspensions, financial aid and immigration status for non-citizens.

\_\_\_\_ I also understand that anything I say when speaking with the state may affect the outcome of my case.

\_\_\_\_ Pursuant to Texas Code of Criminal Procedure Article 39.14, I understand that I may request and review offense reports, designated documents, papers, written or recorded statements of myself or a witness, including witness statements of law enforcement officers but not including work product of counsel for the State and their investigators and their notes or report, or any designated books, accounts, letters, photographs, or objects or other tangible things not otherwise privileged that constitute or contain evidence material to any matter involved in the action and that are in the possession, custody, or control of the state or any person under contract with the State. I understand that I am not allowed to remove any documents, items or information from the possession of the state, and any inspection shall be in the presence of a representative of the State.

**Also for Option 3:**

☐ I **DO NOT** request review of discovery in my case.

☐ I **DO** request to review the discovery in my case. I understand that I will be given a designated day and time, prior to leaving court today, to appear at the Brazos County Attorney's Office to review the discovery in my case.
